

103 MEDICAL GROUP

MISSION

To provide required medical service support for the assigned and attached personnel of the 103 Airlift Wing. Complete physical examinations are performed, including flight physicals, in the well-equipped facility. Immunizations are kept current through a monthly immunization program. The veterinary section maintains a constant check on the quality of foods and its preparation in the dining hall. The 103 Medical Group, comprised of Bio-Environmental, Public Health, Dental, and Nursing Services, ensures medically fit forces, provides expeditionary medics, and improves the health of all they serve to meet the Nation's needs.
