OPERATIONS

Thirty-one personnel from the 123 Security Forces Squadron under Capt. Mary Decker deployed to New Orleans initially, then on to Baton Rouge to provide security for the state of Louisiana from 1 to 24 Sep at multiple locations, including the Baton Rouge Convention Center and the Louisiana State University football stadium.

The Kentucky Air National Guard has participated in several non-flying deployments within Kentucky and to stateside and overseas locations. The 123 continued to provide stateside humanitarian mission relief this year. After Hurricane Floyd struck North Carolina, Security Forces personnel joined up with the Army Guard's 223 Military Police Company to provide security patrols in Grifton, NC. These patrols kept looters from moving into the area to remove valuable resources from the town during the cleanup efforts.
