EMBLEM

Per bend embattled Azure and Or garnished Vert, on the first two whirling atoms Argent, on the second an arched olive branch of the third, all within a narrow border Yellow. Attached below the shield, a White scroll edged with a narrow Yellow border and inscribed "193 SOMSG" in Blue letters. **SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors.

Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The whirling atoms denote strength. The olive branch represents peace, which is the ultimate goal of the United States military. The fortress wall, with three buttresses, is symbolic of strength and firmness and further amplifies the unit's role as guardians of world peace.
