Combat Cargo Groups were to be self-contained groups, capable of being 100% operational and always ready to go at a moments notice. To that end, each Combat Cargo Squadron was to have an Airdrome Squadron assigned with it. Each Airdrome Squadrons mission was to supply all tasks, including everything (from cooking to aircraft maintenance), necessary for the Combat Cargo Squadron to be self-sufficient. Both of these groups would function as one unit.

Airdrome Squadrons were assigned to the Combat Cargo Group in the states. The 1st Combat Cargo Group as assigned the 344th, 345th, 346th, and 347th Airdrome Squadrons. The 2nd Combat Cargo Group was assigned the 336th, 337th, 338th, and 339th Airdrome Squadrons.
