EMBLEM

On a disc Azure, a base of four mountains Purpure, snow-capped Argent detailed Sable, in dexter flank two flight symbols ascending bendwise in bend Gules, and in sinister chief a mullet radiating six lightning bolts from middle chief to sinister flank Or, all within a narrow border Yellow. Attached below the disc, a White scroll edged with a narrow Yellow border and inscribed "611TH AIR INTELLIGENCE SQ" in Blue letters. **SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow

refers to the sun and the excellence required of Air Force personnel. The snow-capped mountains symbolize the home theater of operations and the purpose with which the unit executes its mission. The star and six lightning bolts represent the Squadron's quest for accuracy in intelligence, while the aircraft represent the in-theater and local forces that the unit directly supports.
