

## 611 AIR SUPPORT SQUADRON

### **MISSION**

The 611th Air Support Squadron manages three of PACAF's largest operations and maintenance (O&M) contracts worth \$82M for Eareckson Air Station, the FOL at King Salmon airport, 15 remote radar sites (including the radar located at King Salmon airport) and 3 radio relay stations. The squadron provides/directs quality assurance for logistics, force protection, services, communications and facility engineering efforts at these 19 remote locations. The 611 ASUS also supports 11 AF logistics planning and contingency operations, directs delivery of 8 million US gallons of fuel annually to all remote sites and ensures safe and reliable transportation of over 5,000 passengers and 2,700 tons of equipment and supplies annually.
