

## 741 MISSILE SECURITY FORCES SQUADRON

### **MISSION**

The 741 Missile Security Forces Squadron organizes, trains, and equips combat ready personnel for mobile fire teams, maintenance security escort teams, camper alert teams and convoy response force members to provide 24-hour iron-clad security coverage. This diversified squadron secures 150 intercontinental ballistic missiles deployed throughout a 13,800-square mile missile complex. This unit provides the highest degree of force protection for ICBM's during on- and off-base convoy movements and during support of ICBM maintenance and supports national strategic deterrence policy directed by United States Strategic Command through Air Force Space Command's ICBM combat arm.
