At Hill AFB, the 945th Communications Flight was assigned to the 945th TCG, with the Air Force Communications Service designated as the gaining command upon activation.

Inactivated here was the Hq 945 Military Airlift Group, and Air Force Reserve (AFRES) activity and its Squadrons, Flights, etc., as follows 945 Consolidated Aircraft Maintenance Sq, USAF Dispensary., Civil Engineering Flight, Support Squadron, Communications Flight, and the 733 Military Airlift Squadron. 1 Jan 1973

USAF constituted on 3 May 1966 and activated 8 June and allotted to the Air Force Reserve with assignment to Continental Air Command for organization, numerous Communications Flights. At Hill AFB was the 945, assigned to the Troop Carrier Group, Medium. The Air Force Communications Service was designated as the gaining command on this date. Upon mobilization, or as otherwise ordered to extended active duty by the President, all units involved, together with all personnel and equipment (and without change in location) would be relieved from assignment to CONAC and assigned to AF Communications Service, except that under partial mobilization, only those units specifically identified by Hq USAF would be reassigned. The 945 received the first of nine C-124 Globemaster Cargo aircraft on 8 June. By the end of the summer the remainder would be at Hill AFB., 8 Jun 1966

Other changes occurred with these Air Force Reserve (AFRES) units. On 8 June 1966, HQ USAF activated and allotted to the Air Force Reserve, with further assignment to the Continental Air Command, numerous communication flight organizations. At Hill AFB, the 945th Communications Flight was assigned to the 945th TCG, with the Air Force Communications Service designated as the gaining command upon activation. At the same time, the 945th TCG received the first of nine C-124 Globemaster cargo aircraft.
