

3 SPACE LAUNCH SQUADRON

MISSION

The 3 Space Launch Squadron conducts Titan launch operations from the Eastern Range and commands countdown activities to support national/combatant commander's war fighting requirements and civil and commercial needs. The squadron directs satellite; booster and upper stage launch scheduling and processing. The Squadron prepares Inertial Upper Stage for space shuttle deployment with a team of 1,350 Air Force and contractor personnel. The Squadron manages a \$60M budget and facilities valued at \$2.25B.
