MOTTO

OPERATIONS

In the past, the 10 SFS has worked with other agencies to provide flawless security for distinguished visitors including the President of the United States and the Vice President. The squadron is comprised of mainly military personnel, with civilian personnel filling positions in Pass and ID, Industrial Security, Personal Security and Reports and Analysis. The 10 SFS also has a mobility commitment and personnel regularly deploy to temporary duty locations throughout the world. Unit personnel have proudly served in operations such as Desert Shield, Desert Storm, Southern Watch, New Horizons 97, Operation Iraqi Freedom and Operation Enduring Freedom.

In the current, post-cold war environment of declining resources, Security Forces men and women face new and varied challenges. The challenge of protecting the Air Force's operational assets, personnel, facilities, and information in this new world order is greater than ever. It requires Security Forces to create new force protection paradigms to ensure mission accomplishment in increasingly complex conflicts.
