OPERATIONS

11th Bombardment Maintenance Squadron, Very Heavy mission was maintenance and administration for 770 Bombardment Squadron, Very Heavy.

On 12 October, the reorganization of the 462nd Bomb Group took place. Bombardment and Maintenance Squadrons were combined into Bombardment Squadrons containing both air and ground echelons. In this group the 9th, 10th, 11th and 12th Bombardment Maintenance

Squadrons were combined with the 768th, 769th, 770th and 771st Bombardment Squadrons respectively.

The reorganization was carried out on paper with no interruptions in daily operations and training schedules. All squadrons are considerably over strength in personnel though some Officers and Enlisted Men are being carried as overages.
