

20th CONTRACTING SQUADRON

MISSION

The 20th Contracting Squadron is comprised of approximately 50 personnel -- enlisted, officer and civilian. Annually, they purchase \$84 million worth of construction, services and supplies to support the missions of the 20 FW and Headquarters Ninth Air Force at Shaw AFB, as well as the United States Central Command Air Forces in Southwest Asia. They also manage the government purchase card and quality assurance programs. Military personnel are highly trained contingency contracting officers ready to deploy on a moment's notice and conduct contract operations in any peacetime or combat operation.
