HONORS

Service Streamers

Campaign Streamers

Armed Forces Expeditionary Streamers

Decorations

EMBLEM

The sun and the stars signify the 24-hour service of the squadron. The lightning bolt represents the speed with which unit personnel perform their assigned mission. The cobra can "strike effectively and attack any task at a moment's notice" just as the squadron is prepared to attack any task at any time. The North Star serves as a guide to provide true direction to the unit.
