EMBLEM

On a disc Sable, a globe Azure, dashed grid lines Argent, charged in sinister with a polestar of the like emitting a contrail encircling the globe ascending to sinister chief terminating in a delta point to dexter chief Or, all within a narrow border Yellow. Attached above the disc, a Blue scroll edged with a narrow Yellow border and inscribed "PERITUS ET PROMPTUS" in Yellow letters Attached below the disc, a Blue scroll edged with a narrow Yellow border and inscribed "45TH LOGISTICS READINESS SQ" in Yellow letters. **SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The gold contrail represents the fiery exhaust a rocket displays as it launches into space. The white polestars in the sky and space symbolize the glowing lights of the solar system as well as the bright desire of the organization to achieve its future goals. The movement tracked globe signifies the unit's capabilities for movement and progression of the mission. The rocket launching into orbit represents the unique support the unit offers to the mission of its parent wing. Four individual polestars also symbolize Deployment and Distribution, Materiel Management, Vehicle Management and Fuels Management.
