EMBLEM

Blue and yellow are the colors used for Air Force and red symbolizes life and action. Stars are emblematic of Military Leadership and interlacing connotes a strong support. The center star represents the unit and the six sided hexagon refers to the basic functional responsibilities. The three stars upon the trefoils, symbols of unity, represent Consumer Affairs and along with the above symbolize the overall mission of the 48th Services Squadron. (Approved, 15 Apr 1982)
