## **EMBLEM**

The emblem is symbolic of the squadron and its mission. The encircling olive branches depict honor and the red rim valor. The two shades of blue in the background represent 24-hour night and day protection. The armored fist alludes to power and protection, the sword to justice, the lightning bolts as a striking force. The wings depict peace and the 48 stars allude to the number of the unit. The emblem bears our national colors, red, white and blue, to reflect patriotism and the Air Force colors, ultramarine blue and golden yellow, to indicate the unit is an integral part of the United States Air Force.
