## **OPERATIONS**

On 1 October 1973, ATC activated the 3314th Management Engineering Squadron at Randolph AFB, Texas. The 14 management engineering detachments belonging to the 3300th Support Squadron transferred to the new squadron.

In May 1990 the Chief of Staff of the Air Force directed a reduction in the size of Air Force management structure, in other words, all organizations that performed headquarters responsibilities. In ATC's case, this included the 3314th Management Engineering Squadrons which was inactivated.
