EMBLEM

Celeste, a bend argent, between in chief a closed book arraswise gules and of the second on which is a Lamp of Knowledge or enflamed of the third and in base a sphere of the second gridlined of the field, within an arced vapor trail bendwise or, terminating below a flight symbol ascending of the like, three mullets of five points of the field, all within a diminished bordure or.

SIGNIFICANCE: The traditional burning lamp of knowledge represents the training mission of the unit. The book supporting the lamp represents research and scholarship as the foundations for excellence in training programs. The three stars symbolize knowledge, skills, and attitudes which are the training goals. The sphere depicts the worldwide scope of the technical training mission and symbolizes the broad" global impact of its resident and field training programs. The futuristic aerodynamic shape symbolizes leadership in AF technical training and the challenge of the future.

The motto represents the goal of service to the AF and the nation in the development of human resources. (Approved, 11 Jul 1972)
