OPERATIONS

24 May 1950 two new squadrons were activated and assigned to the wing, the 4010th Organizational Maintenance Squadron and the 4014th Electronic Squadron. Both were further assigned to the 7th Maintenance and Supply Group.

16 July, the 4010th Organizational Maintenance Squadron was reorganized into specialist teams, one for each tactical squadron in the wing (six total). Each team performed periodic organization

maintenance on assigned aircraft.

Also, the 4010th Electronic Squadron was reorganized into specialist teams, one per each tactical squadron. These teams consisted of electronic and instrument specialists who performed periodic maintenance on the instruments and electronic system of the B-36.
