

400th AERO SQUADRON

The 16th was redesignated the 16th Tactical Airlift Training Squadron on 14 August 1969 and was reactivated six weeks later at Sewart AFB, Tennessee as part of 4442 CCTW. Replaced inactivated 4447 CCTS.

It then moved to Little Rock AFB, Arkansas in March 1970 with the 4442 CCTW, flying and conducting initial upgrade training in the C-130 A and E models.

Major command became TAC. On 1 Aug 1971 the 4442 CCTW inactivated and 16 TATS was reassigned to the 314 TAW.
