Much erroneous FRELOC information and directives were received by the 7025th Gp about APO phase-out dates, support responsibilities, and postal personnel assignments. This created an additional workload throughout the postal system, but morale remained high during this phase-out confusion. These postmen were among the last USAF officers and airmen to depart France in late March 1967.

Consists Of Two Postal Squadrons, 2nd At Wiesbaden, Germany And The 3rd At South Ruislip Middlesex, England.
