OPERATIONS

On 15 November 1955, the 7266th Support Squadron was activated in Izmir, Turkey's largest Aegean port, to support the two NATO headquarters LANDSOUTHEAST and SIXATAF. Prior to this date, support for these headquarters had come from the US Sixth Fleet. On 1 July 1959, most of the 7266th moved to Cigli Air Base on the northern outskirts of Izmir where it later merged with USAFE's 7231st Technical Training Group to become the 7231st Combat Support Group on 5 July 1962. On 1 April 1966, this unit became the 41st Tactical Group.
