

75th MISSION SUPPORT GROUP

MISSION

The 75th Mission Support Group provides support through five squadrons and one division to approximately 20,000 military, civilian and contractor personnel assigned to all elements of the Ogden ALC and assigned associates, including combat support for two fighter wings. During both peace and wartime contingencies, the group provides force protection and law enforcement, communications and computer operations, military transportation and logistics readiness services, operational contracting support, military personnel services, mission support functions, and services support to Hill Air Force Base.
