

90th MEDICAL GROUP

MISSION

The 90th Medical Group is responsible for medical and dental care for more than 17,000 beneficiaries throughout Wyoming, Nebraska and northern Colorado. The group's mission is to maximize 90th Missile Wing personnel health, fitness and readiness through comprehensive managed health care systems emphasizing health promotion and preventive medicine. The units of the 90th Medical Group include the 90th Medical Operations Squadron and the 90th Medical Support Squadron.
