Yellow border and inscribed "95TH CONTRACTING SQUADRON" in Yellow letters. **SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The skies represent the unit's constant devotion to its mission, and the mountains are the integrity by which the Squadron lives. The four stars represent the Squadron Values: Squadron Mission (support the wing and its tenants with business advice and the full spectrum of contracting services); Squadron Vision (deliver innovative and timely business advice and quality contracting services that exceed customer expectations); Squadron Goals (deliver great customer service, inspire and enable unit personnel to excel, define and improve processes, and accountability); and Air Force Core Values (integrity first, service before self, excellence in all we do). The eagle with a scroll in its talons symbolizes the unit moving into the future with high spirits, ingenuity, judiciousness and obedience.
