MOTTO

OPERATIONS

The Group helped set up fire stations, control towers, a weather station, post office, quartermaster systems as well as their own duties of setting up messes, motor pools, post exchanges, theaters, supply rooms, special services, base inspection, base headquarters, group headquarters, bomb dumps, guard houses, base operations and base photo labs. In effect, in the words of a former member of the Group, "we raised the base from a rice patch into a modern, tactical air field."
