**SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The design represents the General Headquarters Air Force, the striking combat element of the Air Corps as originally organized into three wings. The action implied by the three-bladed impeller is symbolic of speed, mobility, flight through space and destructive power exemplified by the GHQ Air Force
